

NUMERICAL REASONING

		4				2		5
	2	7		9		6		
8			5		7			3
	8		7				2	4
4							6	
7				3		8		
	1	3					5	2
			9		3	7	8	6
6		8			5	1		9

Instructions: Fill the grid so that every row, column, and 3x3 section contains the numbers 1 to 9 exactly once. No calculators, no modern artificial intelligence, and no electric brains required.
